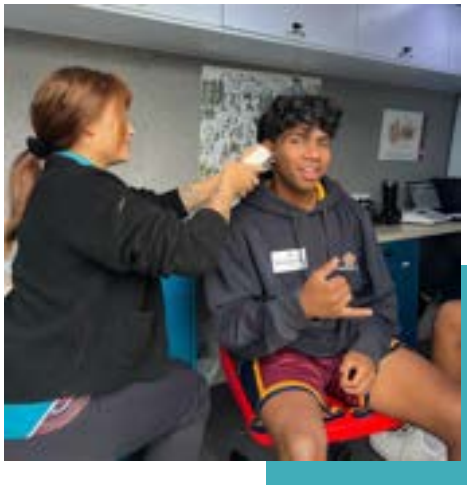
MADALAH
MAKING A DIFFERENCE AND LOOKING AHEAD

HIGHLIGHT REPORT 2024

JANUARY TO DECEMBER



MADALAH

MAKING A DIFFERENCE AND LOOKING AHEAD

MADALAH Limited is a not-for-profit organisation that offers Secondary and Tertiary education scholarships for Indigenous students from remote and regional communities to Western Australia's leading boarding schools and Australian universities.

We believe education is the key to generational change and opportunity, and we are committed to making a difference in the lives of our students, their families and communities.

'Making A Difference And Looking Ahead' is what our name stands for, and what we empower our students to do.

'People of the Future'

MENTOR PROFESSIONAL DEVELOPMENT

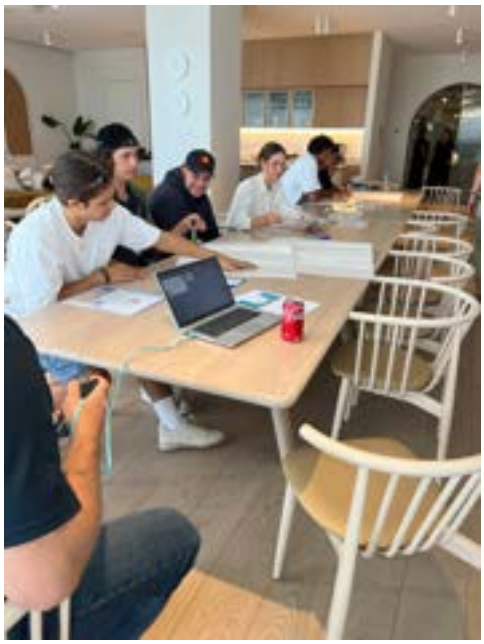
FEBRUARY 2024

Mentors are an important part of the MADALAH wrap around support that we offer all our students. Each of our mentors have been part of the MADALAH family since they were in high school, as scholarship recipients themselves. Now, these ambitious individuals pay it forward by supporting our current students.

The professional development days are a great way to ensure that our mentors remain up to date with all the important policies and procedures as well as ensuring we are receiving any feedback that they have.

In February we held our first Mentor PD of the year and introduced some new members to this incredible team who have recently graduated as secondary scholars. We also had the pleasure of having Janelle Cooke and Des Headland from Spartan First join us to share their knowledge and experience.

These training sessions not only facilitate training but is also a great opportunity for the MADALAH family to get together and have a yarn.



YEAR 7 CAMP

FEBRUARY 2024

Just before the holidays we brought 47 of our new year 7s together for their first MADALAH camp!

They were greeted with an amazing Welcome to Country from Neville Collard before getting into camp activities including Laser Tag, Zorb Run, a cultural workshop and an Astronomy Discovery Night, where they learnt about our galaxy whilst star gazing!

In amongst the activities, the students had the opportunity to meet new students from different schools and build new connections whilst experiencing the native Australian bush. We also did short and long term goal setting and kitted them out in some merch.

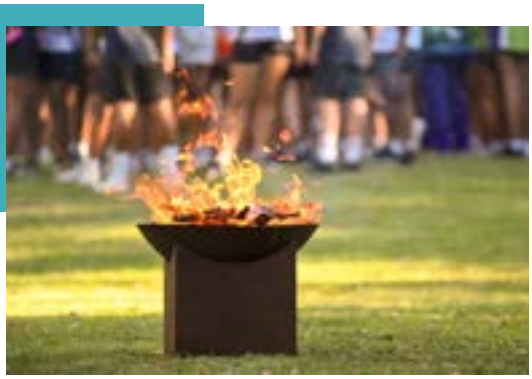
It was amazing to see the year 7s develop new friendships, work together as a team, and build relationships with staff and mentors. We welcome them to the MADALAH family.

WELCOME TO COUNTRY

MARCH 2024

MADALAH students attended a Welcome to Country on the beautiful lands of Kings Park, Perth WA before the holidays at the start of the year.

The students engaged in conversation about the importance of Aboriginal cultural safety and wellbeing for students living away from their hometowns and families. This provided our students with an opportunity to strengthen their cultural safety and wellbeing while they each live, learn and play on Whadjuk Noongar Boodjar. Students explored the cultural significance and importance of a Welcome to Country / Smoking Ceremony and how that cultural process is to keep our students safe during their stay on Whadjuk Noongar Boodja.



Welcome to Country is a traditional protocol that acknowledges and respects the Aboriginal and Torres Strait Islander people and the traditional custodians of the land on which the ceremony takes place. It recognises the connection of Aboriginal peoples to their ancestral lands, passed down through generations, and emphasis their spiritual and cultural ties to the land. By conducting a welcome to country, traditional custodians grant permission to visitors to enter and engage with the land respectfully.

This is one of many student engagement events we run throughout the year where our student councillors step out as leaders of our community ensuring the whole student cohort is heard, seen and valued.

We are so proud of our community for coming together and providing a welcoming and supportive environment for all students.

DANJOO KOORLINY

MARCH 2024

MADALAH attended the Danjoo Koorliny - Bunuru Festival which focused on social impact and collective knowledge. The themes were survival, resilience & strength which were seen through all the speakers and performers.

It's great to come together to learn and grow while navigating our collective goal of reconciliation.

FIRST NATIONS FOUNDATION ON COUNTRY RETREAT

APRIL 2024

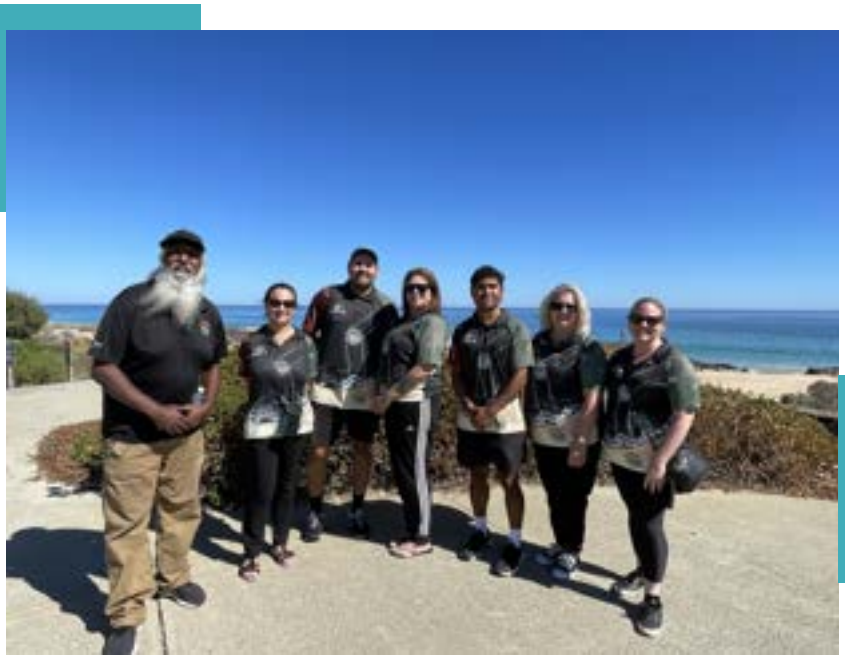
MADALAH attended the First Nations Foundation On Country Retreat in Bunbury, focusing on Financial Fitness and the Art of Facilitation.

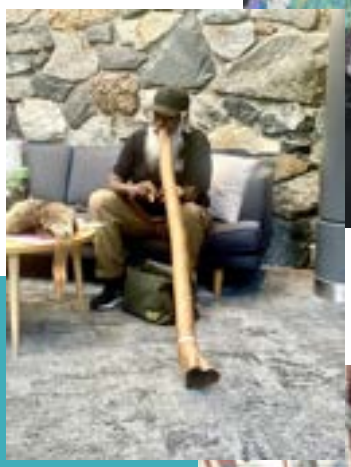
The retreat began with a cultural walking tour led by Uncle Troy Bennell after greeting the team with a brilliant performance of the Didgeridoo, exploring Bunbury's history and Dreamtime stories.
They then delved into facilitation techniques and financial literacy discussions, learning about the difference between a teacher and a facilitator, what skills a facilitator possesses and how best to extract information and ideas from a class.

The team engaged in various group activities and enjoyed dinners together which encouraged some great team bonding!

On the final day, the team were put to the test and were required to present a portion of what they had learnt back to the facilitator, receiving some great feedback!

The training was insightful and interactive, leaving MADALAH staff eager to apply their newfound knowledge to benefit students and their own lives. We would like to express our gratitude to the First Nations Foundation and facilitators for the enriching experience.





EDUCATION AND WELL-BEING DAYS

MAY - JUNE 2023

May and June saw us host our annual Education & Well-being Days for our 414 secondary students attending our 24 partner schools. This annual event runs over the course of two weeks with separate sessions hosted in Bunbury and Geraldton.

Our students had a great opportunity with some talented individuals from learning circus tricks to musical arts to financial literacy. Focusing on how students can budget their own money in order to save up and prioritise.

The students were set up with a “ball” scenario and how they could achieve their “ideal” outcome with a set budget. Many of our students excelled in the exercise and learnt the importance of handling their own finances.

In honour of being on Whadjuk country, a valuable lesson in Noongar with Ngalak Nidji allowed space for our students to learn in a comfortable environment. A workshop which ensured students from both Whadjuk country and other regions felt in touch with the land surrounding them.

Health, an incredibly important aspect to our Education days. Spartan First, Earbus and Strong Spirit, Strong Mind attended which was an important element to our day. Ensuring that our students are in the right place in regards to their physical and mental health is a priority.

Education Days allows our students to interact with one another, learn new things and above all to enjoy their day as MADALAH scholars. A big thank you to Mitsubishi for sponsoring all of our Education and Well-being days this year!

EDUCATION AND WELL-BEING DAYS

STATISTIC RESULTS COLLATED BY SPARTAN FIRST AND EARBUS

In 2024 MADALAH facilitated 38 Aboriginal & Torres Strait Islander health checks in partnership with Spartan First and 71 ear assessments in partnership with the Earbus Foundation of WA

2 students were found to have poor vision

6 students were identified with mental health concerns

12 students were found to have hearing issues

13 students were found to have iron deficiencies

24 students were found to have abnormal urinalysis & haematology results

Thanks to the data collected from these health checks/ear assessments, we are able to work with families and partner schools to put processes in place to combat these issues and give each of our students the best opportunities possible to exceed in school and beyond. We at MADALAH believe that no student should be left behind.

OFFICE MOVE

JUNE 2024

Our mob has grown and so has our office. MADALAH has made the move to a more centralised location allowing for our students to visit more frequently.

As MADALAH grows and supports more young people our space has needed to expand also! Our new space allows all of our staff members to be in one communal space whilst also giving our students their own area to engage in accessing support. We're so grateful for our community for their support and were lucky enough to have Jayden Boundry to welcome us to country and smoke our new space for us.

We're proud to be able to provide a safe and collaborative environment for our students and families.

CBC FREMANTLE PARTNERSHIP

On Wednesday 5th June we were excited to announce a new school partnership between CBC Fremantle and MADALAH, creating more opportunities for our students.

Liberating Education, Gospel Spirituality, Inclusive Community & Justice and Solidarity are CBC Fremantle's touchstones which uphold their values.

CBC Fremantle has joined our list of schools for students who attend day school and we are pleased to have them on board with applications for 2025 already available.

NAIDOC

JULY 2024

Keep the fire burning! Blak, Loud & Proud!

This year's theme honours the enduring strength and vitality of First Nations Culture. We are so proud to support students who are the next generation of educated strong advocates, ambassadors and leaders who are shaping our future.

We asked our MADALAH Head Boy & Head Girl what this year's NAIDOC theme means to them and here is what they had to say:

"Keep the fire burning!"
"For our elders, fires are a place to share stories so by keeping the fire burning, our stories and knowledge are kept alive and shared. To be Blak, Loud & Proud is being proud of our culture and to speak up and not feel any less than" - Lavinia (Head Girl)

"For me, this means to continue to put logs on the fire but in parallel it means to continue to teach our culture to the next generation, learning and listening to our elders to galvanise our understanding of the dream time, language, and lore" – Dallmyn (Head Boy)

NATRAPLAS PARTNERSHIP

JULY 2024

We are thrilled to share that earlier this year we partnered with Natraplas, uniting cultural heritage with sustainable innovation! Natraplas are producing a special line of compostable cups that will feature stunning Indigenous artwork created by MADALAH students.

The first range of cups proudly featured artwork by MADALAH alumna Kylie Champion, and represented how her tribe came to be the Kallamia Gubrin tribe and how it was two tribes that came together to form one.

For every compostable cup sold, MADALAH will receive a royalty that will go directly towards supporting our Indigenous students through education.

Special thanks to Natraplas for this amazing opportunity!

NAIDOC TSHIRT

AUGUST 2024

MADALAH ran it's NAIDOC T-shirt competition and again, our students presented us with many brilliant designs to reflect this years theme and what it meant to them.

Gypsy-Rose Keogh, a student at Nagle Catholic College had been this years winner with "The Emu in the Sky" design.

Gypsy-Rose was inspired by her family sitting around the campfire being watched and protected by the Emu in the sky, this can be seen on the front of the T-Shirt with colours melting into each other representing country.

Alongside this, a second story is told throughout the design on the T-shirt with a kangaroo making its way around, stopping at a watering hole to take a drink and then continuing on its journey.

A big thank you to Graphic Source as they brought Gypsy-Rose's vision to life, creating such a unique T-shirt for MADALAH to proudly wear.

MADALAH BALL 2024

AUGUST 2024

This years MADALAH Ball was held on Saturday 10th August and attended by 900 guests. The night entailed of student performances, keynote speakers and student speeches.

Our MC's were current tertiary supported scholars, Tex Garstone and Latoya Jones

WA GOVERNMENT PARTNERSHIP

AUGUST 2024

The WA Government and MADALAH Limited have announced a new scholarship program for Indigenous students.

The new program will fund six scholarships at prominent WA public schools that will enable Aboriginal and Torres Strait Islander students from remote and regional Western Australia to undertake their secondary education in Perth.
The students will attend either Bob Hawke College or Shenton College and will board at City Beach Residential College.

"Thank you to the minister, Dr Tony Buti MLA, and the state government for choosing MADALAH to partner in this exciting new initiative. Together, we will ensure equal access to education and help shape the lives of six young Indigenous students from remote and regional Western Australian to gain access to a high quality education here in Perth.

At MADALAH we provide a holistic wrap around support structure to ensure our students' connection to culture remains strong whilst they are schooling away from their country, family and communities. We empower our young people to achieve excellence in life through education and we are very grateful to the state government for this commitment."

SHENTON COLLEGE

BOB HAWKE COLLEGE

SENATOR MALARNDIRRI MCCARTHY VISITS MADALAH

SEPTEMBER 2024

Senator Malarndirri McCarthy was welcomed to our office earlier this month with a traditional song and dance. Our Student Council and mentors had the opportunity to have an open Q&A session with the Minister for Indigenous Australians, who kindly spent quality time with the group, sharing her story and words of wisdom.

During her visit with MADALAH, Malarndirri announced the extension to the federal government First Nations scholarships program across Australia, which will enable scholarship providers like MADALAH continue to Close the Gap in Indigenous Education!

GRADUATION

SEPTEMBER 2024

That's a wrap for our 2024 Year 12 and Tertiary Graduates!

On Thursday 5th September, MADALAH and Future Footprints came together to celebrate an incredible milestone for our students. We would like to thank our graduates, Partner School coordinators, and Corporate Partners for attending.

To all our graduates, we wish them the very best of luck for their future endeavors and look forward to seeing what the future holds for them all!

THANK YOU 2024 STUDENT COUNCIL

SEPTEMBER 2024

Our 2024 Student Council spent the afternoon at Hijinx Hotel!

MADALAH staff and students spent the afternoon versing each other in a variety of challenge rooms for some friendly competition. Food was served and our Head Boy and Head Girl presented a speech, reflecting on the amazing year that we have had together.

We would like to say a huge thank you to our Student Council for all their amazing efforts this year! From providing feedback to staff, working at the MADALAH Ball, and everything in between, we wouldn't have had such a successful year without them!

YOUTH LEADERSHIP SUMMIT

OCTOBER 2024

Before arriving at Pemberton Camp School, our YLS students explored the beautiful gardens located throughout the Boola Bidi Dreaming Centre and Stirling Cottages in Harvey for some morning tea. Once arriving in Pemberton, YLS students were welcomed on Wadandi country by Kaylene Gray.

The Student Team put together a range of activities for this year's camp including a letter writing activity, encouraging students to write about leadership qualities they admire about another student. The first evening saw students take part in a quiz night, where they were put into teams and had to tackle a series of questions and fun challenges.

After breakfast the next morning, students participated in a mountain bike relay race, cycling through the mountain bike track seeking a series of clues and completing a range of riddles at the finish line. After lunch it was off for a tram tour on the Pemberton Tram Way, allowing students to fill up their camera rolls with a variety of scenic photos.

On the final night we held our annual MADALAH Gala night, having students all together to celebrate another year of YLS. We're convinced we saw some of our craziest dance moves to date!

We were fortunate to meet Luke Carroll in the Pemberton area, who we invited to our MADALAH Gala night to see some of our students' famous dance moves. Luke was kind enough to invite our YLS students to have a yarn with him the next day and ask questions that they have about the acting industry. We would like to thank Luke for his time with the students.

To wrap up this year's camp, we elected our 2025 Student Council, which we will be announcing very soon! We are incredibly proud of all our YLS students for encouraging each other to write speeches and present in front of the cohort.

After a stop on the way home at fan favourite, The Crooked Carrot, all staff and students returned happy (but tired)!

We would like to say a huge thank you to MPH Lawyers for helping fund our 2024 Youth Leadership Summit. We would also like to thank Julia Murcia for attending and taking incredible photos.

TERTIARY QUIZ NIGHT

NOVEMBER 2024

On Tuesday we held our inaugural MADALAH Tertiary Quiz Night, which saw our scholars come together from all different universities to earn bragging rights and fun prizes!

The quiz was made up of 5 different categories; movies, music, celebrities, sports, and questions about MADALAH staff. Exciting minute to win it games were played in between, a chance for everyone to earn more points and personal prizes.

It was a competitive and successful night that gave our tertiary scholars the opportunity to interact and network within our community.

Congratulations to team 'Simon Says', consisting of Brooklyn Nannup, Simon Hayward, Isaiah McKenna, and Kelston Councillor who took out the main prize. We cannot wait to host more tertiary events in the future!

HANRINE FUTURES AFTERNOON TEA

NOVEMBER 2024

Our team head out to Guildford Grammar School for the annual Hanrine Futures Afternoon Tea.

It was a celebration to recognise and congratulate all students supported by the Hanrine Foundation and a great opportunity to see the students and families before their summer break.

Hanroy's inaugural CEO of Projects, Sanjiv Manchanda attended the event and made a personal address to all students with words of wisdom and encouragement.

A special mention to Year 8 student, Sierra Nokes and Tertiary Student, Aaralyn Lockyer for presenting so confidently in front of fellow peers, parents and corporate partners.

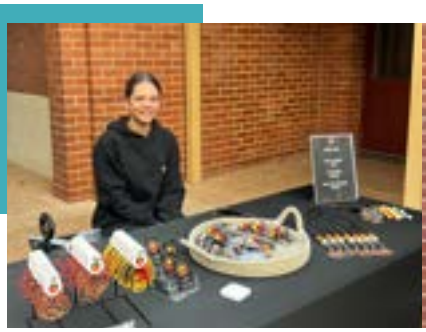
MADALAH would like to thank the Hanrine Foundation for their continued partnership to help us support students in their education journey.

CORPORATE & COMMUNITY ENGAGEMENT

BHP Impact Together: Community Partner Workshop

King Kira 10 Year Birthday

Reconciliation WA AGM & Christmas Celebration



First Nations House X Summit

ALUMNI

Marlanie Haerewa

Influenced by her studies of Performing Arts at WAAPA, Marlanie Haerewa has launched "Young Yarnz" which aims to enrich primary school education through interactive workshops that immerse children in First Nations Australian culture.

The workshops align with the Western Australian curriculum and are designed to foster cultural awareness and understanding, inspiring the next generation with the rich knowledge and stories of First Nations peoples. The facilitators are committed to delivering high-quality learning experiences that promote respect and understanding for Indigenous cultures.

To find out more visit https://www.youngyarnz.com/

TERTIARY

Jasmine Bentink

We received a wonderful update from Jasmin who is a South32 - MADALAH supported scholar attending UWA studying a BSc Environmental Science and Management, was awarded the Work Integrated Learning Poster Competition at UWA Thank You Industry event.

She also received the AusIMM Women in Mining Ambassador Award in addition to speaking at the AusIMM President's Award Dinner. Jasmin also had the opportunity of participating in an Internship at BHP and has informed us that she will now commence a summer placement at Chevron.

We are in awe of Jasmin's efforts to embrace every opportunity presented to her during her university life and can't wait for the next update!

STUDENT EXCELLENCE

Rhys Pocock from Carmel Adventist College

Wagyl Kaip Rhys Pocock who is supported to attend Carmel by NIAA was awarded Head Boy for 2024.

Rhys decided he would like to be a student prefect and head boy, with other candidates he had to make a presentation before the whole assembly, after which the students and staff voted for candidates.

The head boy and girl were announced at graduation where Rhys did an acceptance speech and talked about the vision for 2024. Rhys acceptance speech was excellently presented and was very moving.

We are proud to see our MADALAH student achieve such a great Leadership Role.

Aidan McKenna from St Mary's College Broome

A brilliant achievement by Aidan McKenna from St Mary's College Broome who has led his school this year as Head Boy. Aidan is a proven leader who has continuously excelled in everything he does. It is such an honour for MADALAH to have a student on our scholarship who shines as brightly as Aidan does!

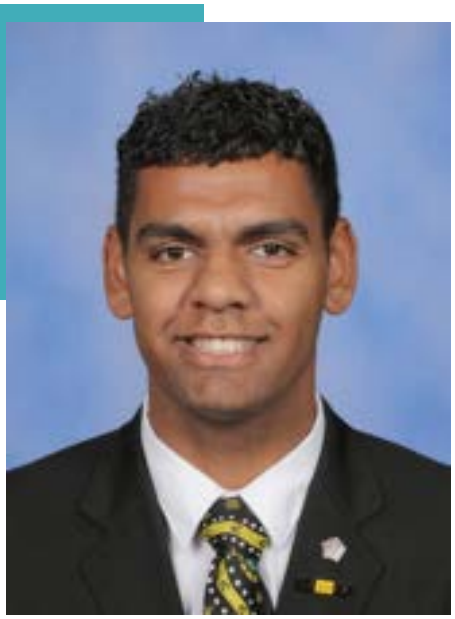
Lachlan Raddock from Guildford Grammar School

Hanrine Futures student and Milyurranba-Banjima / Bornoogoorndi-Goodama Lachlan Raddock from the East Pilbara who is supported to attend Guildford Grammar School by the Hanrine Foundation and MADALAH was awarded Dux of Year 7 (2023).

It is the first time in the 127-year history of Guildford Grammar School that an Indigenous student has been awarded Dux and the first time in 13 years for Freeth House to get Dux. With all Lachlan's hard work and dedication to his schooling we are really proud of his achievements!

STUDENT EXCELLENCE CONT.

Tore Nelson from Wesley College



Service & Leadership Excellence Award

The Service & Leadership Excellence Award recognises a student who has demonstrated outstanding commitment, dedication, and achievements in the areas of service and leadership.

Rosilee Smith from Iona Presentation College

Mooditj Koort Award

The Mooditj Koort Award recognises a student who has demonstrated exceptional strength, perseverance and determination during their secondary education.

EXCELLENCE AWARDS CONT.

Chanel Garlett from Guildford Grammar School

Entertainment & The Arts Excellence Award

The Entertainment & The Arts Excellence Award recognises a student who has demonstrated exceptional talent, creativity, and achievements in the fields of entertainment and the arts.

Andy Lands-Robson from Aquinas College

Sporting Excellence Award

The Sporting Excellence Award recognises a student who has displayed exceptional skill, performance, sportsmanship, and achievements on and off the field of sports.

STUDENT EXCELLENCE CONT.

Shannon Kearing, Amali Brahim, Jayden Cole and Derell Corunna from Trinity College

We loved hearing from Trinity College who recently had their Year 7 - 10 Awards Assembly.

The following students received awards:

- Shannon - Visual Arts
- Amali - 3rd Prize in the Art Competition
- Jayden - Highly Commended in the Adelphe King Prize for Drawing
- Derell - Mock Trials

Great work boys!

GOOD NEWS STORIES
STUDENT ACHIEVEMENTS

Bennell Collard

Bennell is a Wadjuk Ballardong Koolangka who has deep connections to his Nyungar culture. Bennell is a young and emerging Nyungar leader in his community and has a passion for art, dance and music. Bennell has been commissioned for several art pieces over the last few years while he is supported by MADALAH to attend Scotch College.

Communicare unveiled new artwork it commissioned, Baalap Kep Waankiny (two people talking by the water) by artist Bennell, aged 13, from Dooga Waalitj Healing – an organisation they are proud to partner with. Incorporating local Aboriginal art into the organisation's culture holds great significance for Communicare and demonstrates its commitment to the aspirations outlined in its Reconciliation Action Plan (RAP). It fosters a deep sense of cultural inclusivity and respect, by acknowledging and celebrating the rich culture of Australia's First Nations Peoples and the land we all live on.

We at MADALAH are very proud of Bennell and this achievement.

Shy'Kyla Narrier

A big shout out to Shy'Kyla who competed in the 2024 Australian Athletics Championships in Adelaide!
Having represented WA in the 400m and Triple jump, Kyla placed 5th and 7th against some of the best athletes in the country!
We are so proud to see a MADALAH scholar and St Mary's Anglican Girls School student shining so brightly on the athletic field!

GOOD NEWS STORIES
STUDENT ACHIEVEMENTS CONT.

Jarrod Mongoo

Nagle Catholic College student and MADALAH scholarship recipient Jarrad Mongoo signed with NBL1 West Conference team the Geraldton Buccaneers. Jarrad is a super talent and at only 16 years of age signing with the Buccs is a huge achievement! We are so proud of Jarrad and excited to follow his journey with the Buccs and beyond!

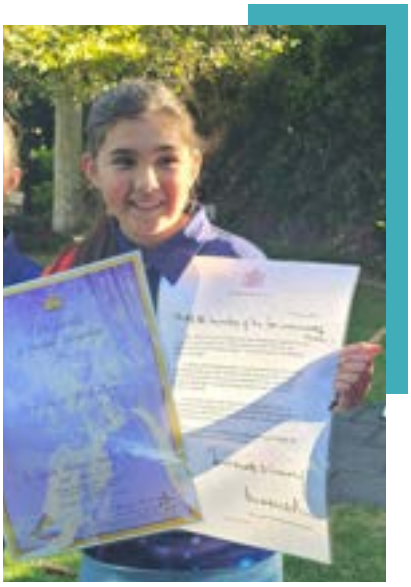
Toré Nelson

MADALAH scholarship recipient and Wesley College year 12 student Tore who had a busy summer holiday training with the West Coast Eagles senior squad as part of the WCE Next Generation Academy, Along with training with West Coast Tore was also selected in the 2024 WA state 18's squad and trained with the state 18's Summer squad throughout the holidays. Being a part of the squad will hopefully lead to Tore playing in the National State 18's Tournament this year. We are proud of Tore for his achievements on the footy field and we are excited to see what the 2024 and beyond holds for him.

GOOD NEWS STORIES
STUDENT ACHIEVEMENTS CONT.

Kirra Wearne

A very exciting opportunity for MADALAH Year 7 scholar Kirra Wearne who attends Our Lady of Mercy College in Australind. Kirra received an invitation from The Commonwealth Resounds, which saw her travel to the island of Samoa with her choir, Vocal Fusion Youth Choir.



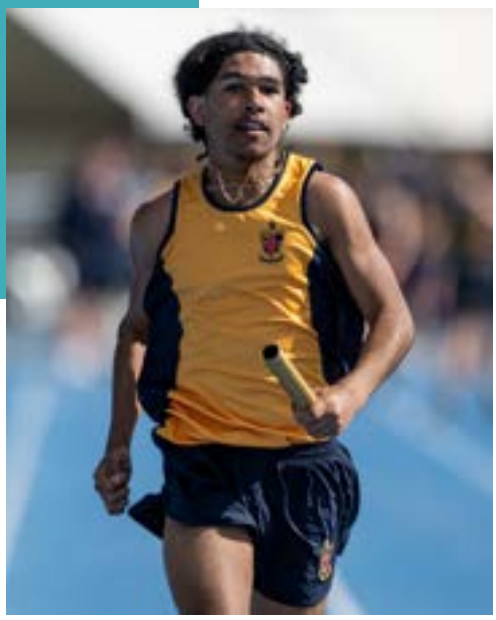
The choir, including Kirra, took part in the Commonwealth Music Relay endorsed by the Commonwealth Secretariat later this year as part of the CHOGM (Commonwealth Heads of Government Meeting). Kirra sings in the choir as an alto, alongside her sister and twenty-seven other students.
Kirra is extremely proud to have taken part in such a large stage as an Aboriginal woman representing our country!

Jada Dimer

Our student support team have a wonderful story to share about our Young Leader Jada Dimer who has been upkeeping the true values of MADALAH and her own personal mission statement she made at the 2022 MADALAH Youth Leadership Summit.
Jada is currently in Year 10 and has been taking the time to mentor Ava, a Junior School student at Iona Presentation College.
From writing cards, creating bracelets, painting, colouring-in and inviting Ava to go along to the Senior School NAIDOC Assembly, these gestures of kindness, compassion and inclusion are resulting in Ava being a visibly happier student within her school environment.

GOOD NEWS STORIES
STUDENT ACHIEVEMENTS CONT.

Keiyon Billy



Keiyon Billy, Year 9 Student from Christ Church Grammar School, was announced Champion Boy the CCGS Athletics Carnival.

We would like to congratulate Keiyon on this incredible achievement

Taj O'Donohue

Year 12 Water Corporation - MADALAH scholar Taj who is supported to attend Hale School, recently competed at the All-Schools Championships. Taj was successfully selected to be in the state athletics team for the U18 triple jump.

We wish Taj the best of luck for his future competitons!

Lachlan Taylor-Fuller

Lachlan Taylor-Fuller, a year 10 Hale School Student, was given the incredible opportunity to attend a NASA Tour in the US.

Lachlan stated "This was truly an amazing experience, and I am so glad I had the opportunity to go on it. Thank you MADALAH for helping my family afford this, I am extremely grateful".

GOOD NEWS STORIES
STUDENT ACHIEVEMENTS CONT.

Grace Dimer

Congratulations to BHP - MADALAH Supported Scholar Grace Dimer, for becoming the newly appointed 2025 First Nations Reconciliation Captain at Penrhos College.

MADALAH was invited to the Penrhos College council handover assembly, witnessing the passing of the torch between Grace and previous 2024 Reconciliation Captain, Caitlin Duck. We are excited to see Grace step into this role and believe she will achieve some incredible things within her school community throughout 2025!

Ayvah Rioli

Mercedes College student Ayvah Rioli continues her basketball success story this year, attending the inaugural National Indigenous Performance Camp in Canberra!

The four-day camp focused on developing student's basketball skills such as jump testing, agility testing, hand eye coordination and scrimmages.

Ayvah was one of twenty-six students nationally selected to participate. Last year, Ayvah was named MVP in her basketball grand final and was selected to travel to Las Vegas to participate in the Jr. NBA Showcase.

REGIONAL VISITS

Each term MADALAH staff made the trip down south to visit our Southwest schools; Our Lady of Mercy College Australind, Bunbury Catholic College, and Bunbury Cathedral Grammar School.
We caught up with families and spent time at the boarding house to check in on our boarding students.

During one trip we also made a quick stop at the local butcher's shop to pay a visit to MADALAH year 12 Marcus who is currently doing his Aboriginal school-based traineeship at Buckingham Butchers once a week.

All 3 school visits were full on with students engaged in yarning circles and activities.

In 2024 MADALAH visited Broome once a term conducting various school visits, celebrations and running information sessions.

AND THAT'S A WRAP!
